**SAFEGUARDING:** All members of **ANY** parish group must have an up to date DBS document before resuming any services for the parish. Even those not working with children or vulnerable adults are asked to renew in case they are called on to help with such people. If you have not done so please arrange to do this with the help of our parish coordinators.

---

**LIFTING RESTRICTIONS IN CHURCH:** The guidance regarding numbers in church for Baptisms, Weddings and Funerals is the same as that of Sundays for Mass, a maximum of 100 people. Every opportunity should be taken to stay safe and keep others safe. Use hand gel on entering church and please wear a mask if you can and follow any directions given by volunteers.

---

**LITTLE CHURCH:** If all goes well we will begin the Little Church again on the 4th Sunday in October. The next Children's Mass, with children reading at the Mass, will be on 26th September. If anyone can assist with the Little Church please see Fr John.
